## Two Crows

circle each other  
in flight,  
one carries a burning ember  
in its beak,  
the other,  
a blue and green marble.  
far, far away  
a flock of crows so large  
the sky is black  
with feathers,  
carry diamonds  
in their beaks.  
you can see the diamonds  
but not the crows,  
not even the crow  
carrying the marble  
where you live.
