United Way of Central MN/Partners for Student Success Overview

- *To unite the Greater St. Cloud community in the collective pursuit of student success.*
- UW-CMN is an organization that strives to close the barriers children encounter in their everyday lives going to school.
- Strategies from Early Childhood to Career and College Readiness
- PSS goes further than just education. There are three goals inside this pillar:
 - Allowing every child to be a lifetime learner
 - Having every student succeed in school
 - Preparing all for career training or post-secondary education.

Our Analysis

- According to UW-CMN's website, 72% of students receiving free/reduced lunch do not meet 8th grade math standards
 - After school care locations
 - Sentiment about school
 - Free or Reduced-Price Lunch at school status
 - Our graphs and pivot tables are representations of what we discovered from this dataset
- What trends arise from this data?
- Where is help needed first?
- Are there any extra steps to take?
