Goodnight Wish

take my hand let's go on an adventure
it won't have to mean anything
bring my head back down to earth
i'll show you i'm better than before
wake me up at midnight
so we can talk together with the moon
hold me sweetly
although i am bitter
for this is my goodnight wish
meet my eyes again tomorrow
i promise i will catch you if you fall for me
but i can't promise i won't fall for you
wake me up at midnight
so we can talk together with the moon
hold me sweetly
although i am bitter
for this is my goodnight wish.
