There Used to Be

There used to be so many Western and police dramas on television.
In the 1950s there was a pronounced fear of Communism in the United States.
Remember to shut the windows this time!
I made very strong coffee and often used honey.
You'd be surprised how many wardrobe changes happen during a play.
Whatever happened to the Campfire Girls?
At one time there was a ludicrous rumor that Marlene Dietrich was a man in drag.
Ancient religious chants are very mesmerizing.
Sometimes the nighttime cries of cats are haunting and childlike.
